Call for Performance Assessment Presentations:
CalTPA Implementation Conference, May 27 at USD and
CalAPA Implementation Conference, June 4th at SDSU

CTC is seeking educator preparation programs willing to share best practices learned as they embedded performance assessment into programs, worked with faculty, school and district partners, and supported candidates. Presentation proposals should briefly explain the best practice and clearly describe how the presentation will be interactive for participants. Please limit your presentation proposal description to one page and include:

- Presentation Description
- Planned interactive activities
- Name(s) of Presenters and Affiliation
- Contact Information for lead presenter: email address

Each program presentation will be scheduled for approximately 50-60 minutes.

Proposal deadline is March 6th. Please submit CalTPA proposals to wbacer@ctc.ca.gov and

CalAPA proposals to GRoby@ctc.ca.gov.

Suggested CalTPA topics:
- Universal Design for Learning,
- Asset-Based Instructional Design and Funds of Knowledge,
- English Language Development and Academic Language Development,
- Deep Understanding of High-Order Thinking,
- Student Self-Assessment,
- Educational Technology for Learning Content,
- Rubric Design,
- Reflective Practitioners,
- Addressing Bias,
- Supporting Candidates

Suggested CalAPA topics:
- Student Centered Learning and Well-Being
- Equity Driven Leadership
- Data-Driven Decision Making
- Collaborative Leadership
- Reflective Practitioners
- Culture and Context
- Qualitative Data
- Developing Learning Communities
- Instructional Leadership
- Addressing Bias
- Supporting Candidates

Presenters will be notified by CTC March 13th if they have been selected. Follow up information will be provided to selected presenters regarding technical support and time of presentation.

Questions should be addressed to groby@ctc.ca.gov or wbacer@ctc.ca.gov
